

OCEANSIDE COLLEGIATE ACADEMY

2020-2021 SCHOOL PROFILE

580 Faison Road, Mount Pleasant, South Carolina 29466

Oceanside Collegiate Academy is ranked as the 6th best high school in South Carolina, out of 222, according to SchoolDigger.com. "This is monumental for our Oceanside community. The culmination of life changing work from our teachers, staff, coaches, students, parents, and a board who supports the school fully is paying off. We are so excited to be recognized by School Digger as one of the top high schools in South Carolina. We are The Landsharks!" *B. Corley, Principal*

Mission Statement

Oceanside Collegiate Academy (OCA) serves high school students in a safe, small, and family-like setting, who seek the opportunity and challenge of a rigorous curriculum, high academic standards, elite athletics, while earning up to two years of college credit while in high school.

Oceanside Collegiate Academy

(OCA), located in Mount Pleasant, SC, is a public charter school with an enrollment of no more than 675 students.

Curriculum

OCA serves students in grades 9-12 using an honors curriculum in 9th and 10th grade and a dual enrollment curriculum in 11th and 12th grade.

Dual Enrollment

OCA's dual enrollment program offers courses which allow students to earn both Carnegie units (high school) and college credit at zero cost to student or families. Partnering with Trident Technical College (TTC), qualifying students will take these courses on OCA's campus taught by TTC vetted, OCA Faculty while living at home and under the support and supervision of their families. OCA professors are allowed and encouraged to communicate with parents in regard to their student's academic performance.

College courses are academically rigorous and require a high level of student commitment. 90% of our Juniors and Seniors are enrolled as full-time college students while attending Oceanside. 98% of college students passed and received credit for all their college courses. College courses available include: Algebra, Probability & Statistics, Trigonometry, US History, Spanish, English, Economics, Biology, Western Civilization, Anatomy & Physiology, Theatre, American Lit, World Lit, Psychology. We offer classes based on high school/college requirements, level of interest for a class and availability of professors.

SCHEDULE

AM Session:

7:30 AM - 11:20 AM

PM Session:

11:45 AM - 3:35 PM

OCA does not guarantee a certain academic session. All OCA students should expect to be in either AM or PM sessions and plan extra-curricular activities outside of their session times.

OCA student-athletes will be placed in an academic session based on their OCA sponsored sports schedule.

Students must be under the direct supervision of a teacher or a coach if on campus outside of their session time.

The OCA high school curriculum operates on a yearlong schedule; however, our college classes are on a semester schedule.

Ninth and tenth grade students will take at least one virtual class from home. All OCA students will take a business elective each year they attend OCA.

OCA is a 1:1 technology campus.

ACADEMIC HIGHLIGHTS

PSAT – OCA students scored on average over 20% higher than their South Carolina counterparts.

College credits – Oceanside Class of 2020 students earned close to 4,000 college credits and thus stand to save over three million dollars in college tuition, textbooks and technology costs.

Our 2020 Senior class was offered upwards of ten million dollars in academic and athletic scholarships.

Oceanside provides our students the opportunity to graduate with four year of a solid core curriculum; a high school diploma; and the possibility of earning up to 60 credits of college coursework. We pride ourselves on fostering a positive school culture where each Landshark has freedoms and responsibilities...to grow and mature through social, academic and community experiences that will prepare them for future success and advance to THE NEXT LEVEL!

The energy in **The Shark Tank** is palpable to any and all who witness the work being done by OCA students, faculty and coaches. We are thrilled to begin year four with 675 students, of which 250 are new to Oceanside and all have acclimated to the waters in The Tank. We continue to build on foundations established...not only on the athletic fields and courts (with 18 Varsity sports), but also in the classrooms, where our students are achieving some of the highest standardized testing results in the state!
